COMMUNICATION REGARDING UNINITIALED REFERENCE ON FORM 1449

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants are in receipt of a final Office Action mailed from the U.S. Patent Office on April 7, 2004, but have not received notification that all of the references submitted with Information Disclosure Statements have been considered and/or acknowledged.

Applicants filed an Information Disclosure Statement on March 15, 1999. A second Information Disclosure Statement was filed on October 28, 1999. Applicants received initialed 1449s indicating the Examiner's acknowledgement of these references with the June 5, 2000 Official Action. Of the 19 references submitted with the March 15, 1999 Information Disclosure Statement all but one reference was either initialed or crossed off by the Examiner. The absence of the Examiner's initials on the remaining reference, Reference BC, is believed to be an oversight as this reference was submitted in a conforming manner, was not crossed off to indicate that it was not in

conformance and not considered and was not mentioned in the Office Action as not being in conformance and not having been considered. The Examiner respectfully is requested to initial reference BC for the record.

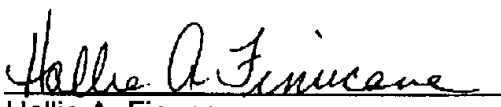

Copies of the relevant sheets of the Information Disclosure Statement, Form 1449, and transmittal documentation are enclosed. Applicants are not forwarding a copy of reference BC with this communication. However, if the Examiner deems it necessary, a copy of reference BC will be resubmitted.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicants' attorney of record, Hallie A. Finucane at (952) 253-4134.

Respectfully submitted,
